EVENTS REPORT

ATEOS FOUNDATION OF SCIENCE
EDUCATION AND RESEARCHFOURTH ANNUAL REPORT
JAN 2024- DEC 2024

Preface

Ateos Foundation of Science Education and Research (AFSER) is a Non-Profit Organization. AFSER has all the statutory and mandatory approvals from Govt. of India. AFSER has objectives to promote science, research and development activity for skilling of Indian youths in fields of Pharmacy, Engineering, Science, Medical, Dental Sciences and Sciences streams of all specializations. It aims to fill the gap between educational needs and the actual practical approach of the students of science streams of all kinds, towards the society. Also promote/conduct various online and offline programs and promoting the Science for the benefit and development of Indian Youths. These activities

are being conducted under the eminent visionary leadership of Dr. Amit Nerkar., PhD (Doctorate) in Medicine and Doctorate in Pharmaceutical Sciences (Double Doctorate) and has vast experience in teaching and research. His profile can be surfed throughout the internet. Further through his magnanimous leadership, he strives to develop a quality network of highly qualified eminent professionals from Pharmacy, Science and Technology, Medical and Paramedical Sciences. We look forward for your cooperation to join our noble cause of skilled India moment and medical and health social work.

Background

Ateos Foundation of Science Education and Research's Corporate Identification Number is (CIN) U85300PN2020NPL191407 and its registration number is 191407, incorporated on 20 June 2020. AFSER is Non-Profit Organization (NPO) and supports the cause of the skilled India Movement and strives and thrives to skill the Indian youth for nation building. AFSER has conducted several programs by quality education and skilling the youth through its direct and indirect methods. The direct interaction methods include:

Journal: Current Trends in Pharmacy and Pharmaceutical Chemistry wherein a plethora of research has been published by the eminent personalities in the field of Pharmacy. Thus, serving the scientific communities.

Online and Offline Courses: These courses have been shared and online courses of short duration are the main eye

*Corresponding author: Amit G. Nerkar
Email: dragnerkar@gmail.com

catchers as the individuals earn a certificate with Udemy, India. The courses shall be beneficial for the students of Pharmacy, Science and Technology, Medical and Paramedical Sciences to upgrade their skill in the given area and for the prospects of solving their problem of employment. The AFSER certificate holder will always be outstanding and will be worth and employable.

Direct Medical and Health Social Work Services Carolene Therapeutics Pvt. Ltd:

This is a unique program

The indirect development initiatives of AFSER include:

Fellow Membership Awards

1. As mentioned earlier AFSER is not for profit organization and generates its own funds through these direct and indirect programs. Further it spends the same for the new or the existing programs. AFSER has the main motto of nation building and to serve the society and nation through its medical health social work and education programs.
2. AFSER believes that a skilled nation makes more chances of making economically and educationally sound citizens for national development leading to a prosperous nation.

- (c) *Last Date:* 13th August Every Year and 24th January Every Year. Carocare Clinic and Research Center

Carocare Clinic and Research Center

Service to humanity is service to God. It mainly deals in Outpatient Department (OPD) and is located at Dr. Babasaheb Ambedkar Nagar, Kondhwa Budhruk, Pune 48,

Many people from all classes and backgrounds take advantage of this clinic for treatment in General Medicine. Further Carocare Clinic and Research Center follows standard practices and subsidiary research activities of OPD prescription manipulation to adhere to and follow drug safety and better treatment within stipulated clinical courses and optimum patient care. The therapies and OPD prescriptions are in line with recent data published worldwide. The clinic is an allied service of Ateos Foundation of Science Education and Research and believes and follows the prime motto of "Janseva Paramo Dharma", meaning duty and religion is to serve humans and be humane. The clinic is an exemplary effort of being human and with the motto that "Let our every effort uplift and motivate the human wellbeing". With minimum consultation fees for every patient, it strives to bring equality in access to the best medical practices.

Current Trends in Pharmacy and Pharmaceutical Chemistry

It is the official Journal of Ateos Foundation of Science Education and Research, hosted and Managed by IP Innovative Publications Pvt.Ltd.

E-ISSN: 2582-5062

Current Trends in Pharmacy and Pharmaceutical Chemistry open access, peer-reviewed quarterly journal publishing since 2019 and is published under auspices of the Ateos Foundation of Science Education and Research, aim to uplift researchers, scholars, academicians, and professionals in all academic and scientific disciplines.

With the aim of faster and better dissemination of knowledge, we will be publishing the article 'Ahead of Print' immediately on acceptance. In addition, the journal would allow free access (Open Access) to its contents, which is likely to attract more readers and citations to articles published in CTPPC. Manuscript contributors are requested to check for the author guidelines, which are available on the website of the journal (<https://www.ctppc.org/info/author>) or directly from the (Manuscript Peer-Review Process called MPRP) manuscript submission website <https://www.mprp.in/journals/CTPPC>.

Aims and Scope

The aims and scope of the journal are to publish research, reviews, case studies, case reports, short communications and all types of quality and peer reviewed manuscripts. It aims also to address significant issues in all the subjects and areas of Pharmacy and Pharmaceutical Chemistry and

Pharmacology. Journal is committed itself to improve education and research on pharmaceutical chemistry, medicinal chemistry, pharmaceutical quality assurance, pharmaceutical analysis, pharmacognosy, ethnopharmacology, clinical pharmacology, clinical trials, drug delivery, experimental pharmacy, pharmacology, pharmacy practice, pharmacy education, hospital pharmacy and by and large all sub subjects of the above, mentioned fields.

Thus, the journal is philanthropic effort and aims to raise the standards of pharmacy profession in India and worldwide. The journal should have positive impact on the pharmaceutical, biological, chemical, medicine and allied health sciences of the pharmacy profession.
