The advertisement is a screenshot of a website for the Manuscript Peer-Review Process (MPRP). The header features the MPRP logo and navigation links: About MPRP, Journals, Support and Training, Contact us, Track article status, Register, and Login. Contact information includes an email address (support@innovativepublications.com) and a phone number (+91-11-6384914, 61364115 | 9950439448). The main content area is titled "Manuscript Peer-Review Process" and contains a detailed description of the platform's services, including 24/7 access, editorial services, and integration with social networks. An illustration shows a person at a computer interacting with a digital interface. A "Why MPRP?" section is partially visible at the bottom.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt.Ltd, which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
