The advertisement is a screenshot of a website for the Manuscript Peer-Review Process (MPRP). The header is red with the logo on the left and contact information on the right. A dark navigation bar contains links for 'About MPRP', 'Journals', 'Support and Training', 'Contact us', 'Track article status', 'Register', and 'Login'. The main content area has a light blue background and features the title 'Manuscript Peer-Review Process' in bold. Below the title is a paragraph describing the MPRP as a 24/7 web-based portal for journal management. To the right of the text is a circular illustration showing a person at a computer, a person reviewing a document, and a person at a desk. Below the illustration is another paragraph about MPRP's integration with social networks and its status as an in-house product of IP Innovative Publication Pvt. Ltd. At the bottom, there is a section titled 'Why MPRP?' with a partially visible sentence: 'If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your'.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt.Ltd, which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
